

PRODUCT INFORMATION SHEET

Pacific Woodtone 100% Acrylic Low

Sheer/Matt Finish

Pacific Woodtone 100% Acrylic Low Sheen Matt Finish is meant for hiding wood surfaces with minimum number of coats based on 100% acrylic emulsion, it is highly resistant to rotting fungus and insects. Its superior flow property eliminated brush marks and yields smooth levelled finish. Available in light fast and weather resistant colours. Pacific Wood Tone 100% Acrylic Low Sheen/Matt finish dries fast and is perfectly washable to give freshly-painted look year after year.
